The officers and members of the Board of Trustees actively seek and welcome your comments, suggestions or recommendations towards the fulfillment of our aims and objectives. Our progress and success are dependent upon the quality and effectiveness of our leadership. Your participation in activities, committees, or in programs and projects is solicited.

When you have questions, need further clarification, or require additional details, you are welcome to call the pertinent committee chairman.

MEETINGS

Club members are invited to attend the monthly meetings. The Board of Trustees meets each month. See schedule for locations. After the business session, some meetings will feature a program presented by the various activities. Everyone is welcome! Come out and support your representatives.

A Message From The President

The Winter 2010 schedule signifies the start of a new year full of trips, events, and activities; many familiar and some new. The Leaders and the Activity Chairs are volunteers that work hard to plan and organize these trips in a quarterly cycle, which are delivered via the club website and the Trekker brochure.

This is my first message as the President and I will keep you informed of what's going on with the club. It is an honor to help and hold office, and a challenge to keep up with all the hard working volunteers that run the club and lead events.

Did you know that with your dues, you not only have access to all the trips and events, but that you are a 'real member' of the club and can participate in the club in a variety of additional ways?

The monthly board meetings are open to the general membership. We encourage you to attend and see how the club is run and organized. And perhaps to volunteer and get more involved. We are looking for people to help with club events such as booth displays, special events, and hold offices, especially those with computer skills. While we have full schedules, we are always looking to cultivate new leaders. If you have any interest, let your trip leader or that Activity Chair know.

Our mission is still the same as stated on the previous page in "Aims and Objectives." In addition, we want to keep the club active, current with the needs of the time, and growing. We will be examining membership, the Trekker and web trip listings, and bylaws.

We especially wish to thank our former president, Kathleen Pearce, for 3 years of excellent work in helping to keep the club thriving and in good shape.

Tom Neigel, *OCSJ President*

BACKPACKING/CAMPING

A Message from the Backpacking/Camping Activity Chair

All backpacking and camping trips begin with a club sign in and waiver sheet. Everyone must sign for liability reasons. Members are welcome to bring a non-member friend as a guest. Non-members are welcome for an initial trip, but need to join thereafter.

For backpacking trips, see the trip rating system elsewhere in this issue. Distances listed in trip descriptions are approximate. They can vary due to conditions and other factors. If you have questions about a hike, feel free to call the leader.

Be sure to check the backpacking and camping sections of the club's web site for updates, new trips and cancellation notices.

The backpacking section is in need of new leaders. If you have backpacked with the club, this is your chance to give back.

BICYCLING

A Message From the Bicycling Activity Chair

Oh well, another season is in the books. I hope you rode as much as you wanted; I know I didn't!! The weather is changing, but there's still plenty of great riding left. Most of the other leaders will continue to lead throughout the cold New Jersey winter months.

Thanks to everyone who stepped to lead a ride this year. We're starting to see a few new faces leading – if they can do it, so can you. We are still looking for more people to step up and lead, especially B riders. If you are thinking about leading but are unsure, contact the appropriate ride coordinator or myself. We can help you with routes, advice – anything you need to know to lead your first ride.

Finally, thanks to everyone who rode in this year's MS 150 City to Shore Bike Tour. Overall, almost 8,000 riders participated and as of this writing have raised around \$4.9 million; even in these tough economic times, the ride should raise over \$5.0 million, securing us as the second largest MS Bike Ride in the country. Team OCSJ is looking for a captain to take over the reigns from Nancy Pomilio, who has done a fantastic job over the last few years getting the team up and running again. If you think you can help, please let me know.

Thanks again and happy cycling!

CANOING/KAYAKING

A Message from the Canoeing/Kayak Activity Chair

Winter weather presents many challenges to paddling but can be pursued safely if you and your equipment are prepared. Only 1 trip is scheduled but if conditions permit trips will be added. Always check the website for current information. None of these activities would have been possible without the leaders who volunteer their talent and time. I want to thank them. When you are on a trip take the time to thank them and consider becoming a leader.

Frank Pearce

E-mail: Hornet71@verizon.net

856-767-2780.

Guidelines:

- 1-All participants must sign-in
- 2-PFD'S must be worn. (83% of canoeing fatalities were not wearing a PFD)
- 3-Stay between leader and sweep.
- 4-Wear appropriate clothes (Avoid Cotton) dress for water temperatures.
- 5-Have at least one change of clothing in a water- protected bag with you
- 6-Flip flops are not appropriate footwear. (No bare feet - 90 % of paddling injuries)
- 7-Flashlight required for evening trips.
- 8-Whistle is required for Delaware River trips and recommended for all trips.
- 9-A helmet for whitewater may also be a good investment.
- 10-Don't wish to participate in organized shuttle - make your own arrangements.
- 11-You must assess the suitability and condition of your equipment and if a trip is within your abilities.
- 12-Please leave sufficient driving time to safely arrive.
- 13-If you have questions, especially if a trip is right for you, call the leader.
- 14-Check the website – ocsj.org - for the latest information.
- 15-Leaders have final say on trip participation involving safety concerns.
- 16-Leaders - if a trip is cancelled please notify the Chair.
- 17-Leaders -carry a copy of the incident report form (can be obtained from website)

Leaders must submit (mail/fax) sign-in sheets to the Canoeing/Kayaking Chair in a timely manner.

HIKING

A Message from the Hiking Chair

Hiking with the club is good exercise and a great way to make new friends. Our fine leaders offer a broad range of hikes in terms of distance, pace, days and times. Hike descriptions include distance, pace and abbreviations such as WF (wet feet possible). Explanations of them and standard hike meeting places are elsewhere in this Trekker. Distances listed in hike descriptions are approximate. They can vary due to conditions and other factors. If you have questions about a hike, feel free to call the leader.

Hikes usually start promptly at the stated time. Please leave sufficient driving time to safely arrive about 15 minutes early. All hikes begin with a club sign in and waiver sheet. Everyone must sign for liability reasons. Members are welcome to bring a non-member friend as a guest. Non-members are welcome for an initial trip, but need to join thereafter.

Be sure to check the hiking section of the club's web site for updates, new trips and cancellation notices, including last minute ones. On rare occasions hikes have to be canceled at the last minute without notice due to freak weather, illness, etc. If the leader is not at the designated meeting place 15 minutes after the starting time, you can assume the hike is canceled.

(continued on page 7)

Our leaders are all volunteers. Please thank them for their efforts while hiking with them. Speaking of that, we are always in need of new leaders. If you are interested, talk to a current leader and/or send an email to hiking@ocsj.org.

Hike leaders – please check the club web site for leader info. And remember sign in sheets must be turned in to the hiking chair.

X/C SKIING and SNOWSHOEING

A Message from the X/C Skiing & Snowshoeing Chair

The excitement of X/C skiing and snowshoeing is here, now! Don't be left behind. There is still room available on some trips. Please call the leader to be sure the trip is appropriate for you; and if you find that these winter sports thrill you, start thinking about the next season. Many of these trips are annual events, but for some of them the leader needs to arrange accommodations well in advance. In fact, it is not unusual that at the conclusion of a trip, the leader is asked to book the rooms for the following year and to place a deposit. So you will understand why some leaders ask you about next year even before this ski season ends.

Speaking of our leaders, we owe them debt of gratitude for their hard work. It's always nice at the end of a trip to hear people say to you "Thank you for putting the trip together. I had a good time".

A short list of our trips for this season follows here, but for more details and the latest updates go to our website www.ocsj.org and click on X/C skiing. Also, there are now a series of articles on the website aimed at information for the beginner. Why not take a look?

See you on the snow!
