When you have questions, need further clarification, or require additional details, you are welcome to call the pertinent committee chairman.

MEETINGS

Club members are invited to attend the monthly meetings. The Board of Trustees meets each month. See schedule for locations. After the business session, some meetings will feature a program presented by the various activities. Everyone is welcome! Come out and support your representatives.

A Message From The President

The gentle winds of spring have given way to sun-drenched days of summer. Cross country skiers are recalling the coolness of winter snow and the canoeists are dreaming of water. Activities for all seasons are what make the Outdoor Club of South Jersey very unique among local outdoor clubs. Again, our volunteer leaders have packed the Trekker with a multitude of activities. Check out hikes that have their start as the sun sets or canoe/kayak trips that beckon us to a lazy afternoon on the river.

Once again, our volunteers are shining as we reflect on a couple of great club activities. The ever popular Washington D.C. trip. ran by Fran Katella for the first time this year, with some assistance from Joe Trujillo, did a stunning job. Club Day on May 9th was attended by over 125 club members. Paul Serdiuk and Frank Pearce did a lot of work in making sure that the day was a success. It was a wonderful day to get to talk to some club members that I did not know. Some members were asking if this was going to be an annual event...hmmm...something for the board to consider.

The club also mourned the passing of a longtime member, hike leader, board member and friend, when Walt Stelmaszyk passed away in March. His smile will be forever missed.

A debt of gratitude is also owed to Joel Penn, who served as a board member and Pat Kalinowski, who has coordinated publicity for the club for several years. To each, a thank you seems inadequate.

Another transition is the closing of the OCSJ store. For several years there has been a decline in store sales. The board has opted to offer T-shirts, bike jerseys, hats and sweatshirts for sale only during a designed amount of time. Notice of the pre-sales of OCSJ items will be announced on the web and in the Trekker.

Take the time to get out and enjoy the activities that our volunteer leaders are presenting to you. Also, take a moment to thank those leaders!

BACKPACKING/CAMPING

A Message from the Backpacking/Camping Activity Chair

The highlight of the summer schedule is the annual club camping weekend at Bass River State Forest in September. It is always a fun event. Spaces go quickly. Sign up soon if interested.

All backpacking and camping trips begin with a club sign in and waiver sheet. Everyone must sign for liability reasons. You are welcome to bring a non-member friend as a guest. Non-members are welcome for an initial trip, but need to join thereafter.

For backpacking trips, see the trip rating system farther down in this issue. Be sure to check the backpacking and camping sections of the club's web site for updates, new trips and cancellation notices, as well as backpacker and camper's checklists of what to bring.

The backpacking section is in need of new leaders. If you have backpacked with the club, this is your chance to give back.

BICYCLING

A Message from the Bicycling Activity Chair

With the arrival of warm weather (and hopefully the end of the Spring winds!), our riding schedule is in full swing. Hopefully, there's something on the schedule for everyone. If you don't find something that fits your needs, why not step up and lead a ride that does. Chances are there are others who would enjoy the same ride. Just contact the appropriate ride coordinator with the details. We always need new leaders, so please consider leading a ride. Also, the club's team for the MS 150 City to Shore is looking for members. Nancy Pomilio has done a great job of bringing the team back, but she needs more riders! I'm sure she can use some help with some of her responsibilities as captain; if you have some time to help, contact Nancy at njpomilio@verizon.net. Even if you don't have time to help, don't forget to register for the C2S at <http://www.citytoshore.org/>

Finally, let's not forget about safety out there. Remember, "cyclists fare best when they act and are treated as vehicles". Obey all traffic laws, yield to cars, and make sure to communicate with each other out there.

To all leaders and coordinators, thanks for your continued efforts. To everyone, enjoy the roads!

CANOEING/KAYAKING

A Message from the Canoeing/Kayak Activity Chair

Thank you to all the Leaders who have made this schedule so great.

To help make everyone's paddling experience an enjoyable one, read the trip description. If you have questions, especially if a trip is right for you, call the leader. Factors such as trip length, pace, water classification, number of stops, river conditions (cleared, obstructions, rocks), weather conditions etc. should all be considered. You must stay between the designated leader and the sweep. Paddling can be fun but be prepared. Please leave sufficient driving time to safely arrive. Wear the appropriate clothing and have a water-protected dry change of clothes with you. Remember to dress for the water temperature and not the air temperature. Avoid cotton clothing, it will not keep you warm if wet and will be slow drying, a synthetic fabric such as polartec is a better choice.

CLUB POLICY REQUIRES THAT PFD'S MUST BE WORN. PLEASE REMEMBER IF YOU DO NOT WISH TO PARTICIPATE IN THE OCSJ ORGANIZED SHUTTLES YOU NEED TO MAKE YOUR OWN ARRANGEMENTS. NO EXCEPTIONS. A flashlight is required for evening trips. A whistle is required for Delaware River trips and recommended for all trips and painter lines are a good idea. A helmet for whitewater may also be a good investment. You must assess the suitability and condition of your equipment and if a trip is within your abilities. Water levels, weather, and leader availability may cause trip cancellations or changes including additions. Leaders have final say on trip participation involving safety concerns. Check the website ocsj.org - for the latest information. Everyone must sign in for liability reasons and **LEADER'S MUST SUBMIT (MAIL, FAX) SIGN-IN SHEETS TO THE CANOE/KAYAK CHAIR ASAP – NO EXCEPTIONS.** Also, if a trip is cancelled please notify the chair. Carry a copy of the incident report form. Need a form or address etc. please contact me?

See You on the Water!!

HIKING

A Message from the Hiking Chair

I am the new hiking chair, following in the footsteps of many great past chairpersons. Hiking with the club is good exercise and a great way to make new friends. Our fine leaders offer a broad range of hikes in terms of distance, pace, days and times. Hike descriptions include distance, pace and abbreviations such as WF (wet feet possible). Explanations of them are below as are standard meeting places, which are also in hike descriptions.

Hikes usually start promptly at the stated time. Please leave sufficient driving time to safely arrive about 15 minutes early. All hikes begin with a club sign in and waiver sheet. Everyone must sign for liability reasons. You are welcome to bring a non-member friend as a guest. Non-members are welcome for an initial trip, but need to join thereafter.

Be sure to check the hiking section of the club's web site for updates, new trips and cancellation notices.

Our leaders are all volunteers. Please thank them for their efforts while hiking with them. Speaking of that, we are always in need of new leaders. If you are interested, talk to a current leader and/or send an email to <mailto:hiking@ocsj.org>.

Hike leaders – please check the club web site for leader info. And remember sign in sheets must be turned in to the hiking chair.

Last but not least, a hearty thanks to those who have helped with Batona trail maintenance this year.

Bruce Steidel
Hiking@ocsj.org

Volunteer Opportunities

X/C SKIING and SNOWSHOEING

A Message from the X/C Skiing & Snowshoeing Chair

Kudos to our leaders for putting together another great line up of cross country ski trips. Whether you are a beginner or expert, or if you like to snowshoe, there is something here for you. And speaking of leaders, you know that without our volunteer leaders, there would be no ski trips. Do you have a favorite place to ski? Would you be willing to step up and be a leader? If so, contact me, and I will help with all you need to run a successful trip.

It may seem odd to be planning for your next adventure on the snow while you are still sweltering with summer's heat, but this is the ideal time to make your move. Select the trips that interest you and call the leaders for more information. Don't wait till the snow falls and be shut out because the trip is full. A list of trips is in this booklet, a little more description on the OCSJ webpage. Also watch the website for details on the Annual Fall X/C Ski Meeting on October 16 which will give you a chance to meet the leaders and hear more about the trips. An ideal time to sign-up.
