Note - This report is to be completed by: an official member of the organization which may be the event director, a bike tour guide, an officer of the club, the ride leader, etc. It should NOT to be completed by the injured party.

- It is important to have a written incident report on file regarding injuries, property damage or other incidents that may result in a claim against your organization. Many claims allege negligence on the part of the organization, and written reports prepared immediately after an incident occurs are invaluable in defending these types of claims.
- In the event of a serious injury, it is important to ask for written statements from witnesses and individuals actually involved in the incident.
- Please complete the following Incident Report and return this to McKay Insurance with any other pertinent information such as a police report, witness statements, pre-event inspection report, routine facility maintenance report, photos taken at the time of the incident, etc. Your organization should retain a copy of the report for a minimum of 3 years, as many lawsuits are filed long after an injury occurs.
